

TEAM BUILDING

GO TEAM

GO TEAM is a state-of-the-art GPS enabled treasure hunt application that enables real time interactivity in a live team building environment anywhere in Australia. The program is installed on iPads, and incorporates GPS triggered mini missions around the chosen area; bespoke and location-based questions, team picture contests and QR code activated tasks.

INCLUSIONS:

- Consultation and program design
- Be Challenged facilitator/s, program materials and equipment
- Team iPads, travel money, team bandanas, bottled water and sunscreen
- Winning team medallions
- Team photo mounted on a canvas plus an online photo gallery
